Self-taught web developer and webmaster with over three years of experience in creating content for the web and creating online communication strategies. I have good design & coding skills, as well as an ability to convert client requirements into practical solutions.

WORK EXPERIENCE

2012 - present

Webmaster & Policy Director
OpenForum Europe *

OpenForum Europe (OFE) is a not-for-profit industry organisation aiming to accelerate and broaden the use of Open Source Software (OSS) among businesses, consumers and governments.

- Designed and developed the new OFE site using a custom WordPress theme. Organised the migration of content from the old site running on Plone.
- Designed and created a WordPress site in support of a campaign and distribution of an OFE paper.
- Developed a simple landing page for sister organisation COIS using Bootstrap.
- Wrote regular blog posts and press releases published on the OFE site, and a series of interviews published on OpenForum Academy's website.
- Designed and created a monthly newsletter in support of OFE's new online communication strategy.
- Designed a number of document templates based on a common graphic charter, used for official letters, event invitations and white papers.
